RESEARCH GRANTS / SCHOLARSHIPS

Extramural Research Grants

Collaborative Research: A National Consortium for Synergistic Undergraduate Mathematics via Multi-institutional Interdisciplinary Teaching Partnerships (SUMMIT-P)

National Science Foundation, Fall 2016 – Fall 2021

Co-Principle Investigator (with Dr. Caroline Maher-Boulis, Dr. Jason Robinson, and Dr. John Hearn)

Status: Funded (\$155,467)

Career and Technical Content in High School Mathematics² (CATCH MATH²)

Tennessee Higher Education Commission ITQ Grant, June 2017

Co-Director with Dr. Caroline Maher-Boulis and Dr. Jason Robinson

Status: Funded (\$73,164.42)

Student-led Research Grants

Mixed Emotions and Facial Recognition

Psi Chi Research Grant, Spring 2015

Student Researcher: Ricardo Wilhelm

Status: Funded (\$950.00)

Was the Good Samaritan Male, Female, or Does it Matter?

Psi Chi Research Grant, Spring 2015

Student Researchers: Amanda Kirsten Gregory and Micayla French

Status: Funded (\$1,500.00)

Motivational Processes in Attending to Human Faces

Psi Chi Research Grant, Spring 2014

Student Researcher: Lauren Browning

Status: Funded (\$741.39)

Appalachian College Association Scholarship / Mentorship

Math Examples: Does it Matter if they are Real-World or Out-of-This-World?

Colonel B. Ledford Scholarship Faculty Mentor, Summer 2016

Student Researcher: Andrew Cannon

Status: Funded

Emotions and Facial Recognition

Colonel B. Ledford Scholarship Faculty Mentor, Summer 2015

Student Researcher: Ricardo Wilhelm

Status: Funded (\$3,170)
